

We will create a table in the paper. like this

Model	Vs	h	v	p
1	50	30	0.25	?
2	200	30	0.25	?
3	450	30	0.25	?

Model?
 HV, U & Ek vs Period - Rigid Half-Space
 $Vs = 60 \text{ m/s}$, $h = 30 \text{ m}$, $v_L = 0.25$, $\lambda_L = 1000$

This is another model, but it's better for remove

What is this vertical line?
 It cannot be the
 However you are using the same color

How do you get this?
 I need the mb (notebook)
 documenting this
